FY 2016/17

## 2016/17 Proposed Budget Highlights

 Proposed Sixth Taxing District portion of property taxes up 3% from prior year; down from the 6-10% increases in recent years needed to cover uninsured hurricane losses and rebuilding the unrestricted and capital funds.

- Normal operating expenses up less than 1% but two provisions which were recommended by the Auditors, and we believe are prudent, push the year-to-year increase to 4%.
- \$300,000 loan from the City of Norwalk proposed to fund completion of improvements to Community Center's main building; debt servicing costs decline due to payoff of \$300,000 loan from 2001 and lower interest rate on new loan.

- All other revenues are up 17% primarily reflecting a continuation of the betterthan-planned non-resident beach fees we booked last summer.
